The Association of Southeast Asian Nations (ASEAN) has officially designated 15 June as the ASEAN Dengue Day. The theme of the inaugural ASEAN Dengue Day is "Dengue is everybody's concern, causing socio-economic burden, but it is preventable".

On this special occasion, the Environmental Health Institute (EHI) of the National Environment Agency will be officially inaugurated as a WHO Collaborating Centre for Reference and Research of Arbovirology and their Associated Vectors. The designation by the WHO as a Collaborating Centre is a symbolic milestone that marks the EHI's close partnership with the WHO in the fight against the global public health challenge of dengue and other vector-borne diseases.

Please visit the website - www.dengue.gov.sg - for other events that are being held to commemorate the inaugural ASEAN Dengue Day.

Please RSVP by 10 June 2011 with Ms Daisy Zhang at +65 9677 3840 or email at rsvp@npa.gov.sg
